

Letter to the Governor

Have students design their own letterhead base on the designs in the prior letters, a write a letter to one of Kentucky's three governors during the Civil War

September 18th, 1863
Powell County, KY

Dear Governor Bramlette,

I write to you today to ask about the condition of my son, James. He was injured at the Battle of Shiloh and he has yet to return home. I humbly ask your excellency to help me get news of my son. We in Powell County pray that your honor help us receive word of his condition.
